- If you are not able to make the Chagford concert, please arrive for second half of rehearsal on 9th February.
- Please could you keep the Rachmaninov, Cimarosa and Krommer ticking over in personal practice as we have performed these works before.
- Please would you take a look at Puccini parts prior to our first look at it on 9th February and then keep ticking over until after our Stokenham concert.
- We aim to add in an additional concert overture for the DMF which we will not look at until after April 6th but we hope to have parts available for personal practice.
- The rehearsal plan is subject to change depending on the work we do in rehearsals.
